

Girl Scouts of the Northwestern Great Lakes, Inc. Camp Care Packages

The Council Shop is excited to offer the following Camp Care Packages to get ready for the 2009 Camp season! Please order early as sizes and quantities are limited.

Package A - Welcome to Camp

Everything your daughter needs to welcome her to camp. A T-shirt with the camp name, a camp water bottle and a nice drawstring tote bag to keep all her belongings together.

\$25

Package B - Overnighter

Let your daughter know you are thinking of her. Package includes a soft, autograph pillow, a cuddly stuffed animal and a small camp journal with pen.

\$25

Package C - Horse Fun

For the horse lover at any camp this package includes a cuddly horse stuffed animal, a horse-themed bandana and horse shaped carabiner.

\$15

Please consider sending your daughter to camp with a little bit of spending money. Hopefully she has participated in one or more of the Council-sponsored Product Sale Programs by now, as a start to her financial literacy. Giving her the opportunity to make a small buying decision while at camp (items range from \$1 wishlets to \$30 hooded souvenir sweatshirts) builds on her understanding of consuming within a budget and making sound decisions. Learning to manage money is a valuable lesson at any age.

The Council reserves the right to substitute items of similar style and value. More items may be available for purchase at each camp location.
