## FINANCIAL ASSISTANCE REQUEST FORM

Girl Scouts of the Northwestern Great Lakes, Inc. is committed to ensuring Girl Scouting is available to all girls and adults in our jurisdiction, regardless of financial status. Troop leaders are expected to plan with their girls to fund the majority of the troop's expenses from the troop treasury.

***\*For girls requesting financial assistance, a parent/guardian must complete this form. For adults requesting assistance for national membership dues, they may fill out the form themselves.*** The amount of assistance is based on the availability of funds and the total number of requests received. Funds for troop dues are dispersed to the troop leader and not to individual members. All information is strictly confidential.
