

Procedure for Donation of Securities

When a donor notifies Girl Scouts of the Northwestern Great Lakes (GSNWGL) that they would like to make a donation of securities (ie: mutual funds, stocks, bonds, etc):

1. Send the attached 'Donor Designation of Securities' Form and Delivery Instructions to the donor (or the delivering agent handling the transfer on behalf of the donor).
2. Once the completed form has been returned to you from the donor (or delivering agent), please forward the 'Donor Designation of Securities' Form to:
 - a. Colleen Bennett, Comptroller
 - b. Angela Thoune, CDO
3. Angela Thoune and Colleen Bennett, as well as FD Manager if necessary, will meet to discuss how the donated securities will be handled.
4. Colleen Bennett will forward the information and handling instructions to Fiduciary Partners, so they are aware of the incoming transfer.

Per the Council Gift Acceptance Policy

Gifts with no stipulations by the donors as to their purpose or use are unrestricted. Gifts given for a specific purpose designated by the donor shall be restricted. Annual giving donations are to be unrestricted gifts toward the general operating expenses of the council.

To restrict a donation, the gift must be \$5,000 or more and must be designated for an anticipated expense of the council in the present year and not designated for establishment of a new project. Restrictions on gifts under \$5,000 will be considered on a case-by-case basis by the Comptroller and Chief Development Officer.

Publicly Traded Securities

- Securities which are traded on the New York, American or over-the-counter stock exchanges, as well as publicly-traded mutual funds, municipal and corporate bonds, treasury bills and notes, warrants, stock options and stock appreciation rights may be accepted by the Council. Title to securities deemed to be readily transferable presents no particular difficulty to the Council. However, in cases where limitations may exist on the transfer of warrants, stock options and stock appreciation rights, the Finance Committee may review such gifts in advance to determine if such gifts are acceptable.
- In most cases, the Council's policy is to sell all securities accepted by the Council. In no event shall an employee or volunteer working on behalf of the Council commit to a donor that a particular security will be held by the Council, unless previously authorized to do so by the Finance Committee.
- It is the Council's preference that any gift of publicly traded securities be effectuated by a transfer from the donor's brokerage account to the designated primary Council's brokerage account. As needed, the Council's Chief Executive Officer and designated development officer shall share with its fundraising administrator's information, which will enable its fundraising staff to complete such gifts. The Council will also accept publicly traded stock gifts which are completed by other legal means, including delivery of properly endorsed stock certificates, and a transfer of stock shares from a donor's account to a newly-established account for the Council at the same brokerage house.

The council will not accept gifts of closely held stock or restricted stock.
