

Keeping Our Girl Scout Communities Safe During In-Person Activities

1. Skip the activity if you are sick.

Skip the in-person activity if you tested positive or if you have been exposed to a person with COVID-19. Skip the in-person activity if you have a fever of 100.4 or higher, a cough, or shortness of breath.

2. Wash your hands often.

Wash your hands at the start and end of all Girl Scout activities. Avoid touching your eyes, nose, and mouth. Wash with soap and water for at least 20 seconds or use an alcohol-based hand sanitizer containing at least 60% alcohol.

3. Practice social distancing.

Stay at least 6 feet away (about as long as 2 arms) from others. Avoid personal contact like hugs, handshakes, high fives, and the Friendship Squeeze.

4. Wear masks.

Wear a cloth face covering over your mouth and nose. Wash your cloth masks daily.
