Girl Scout Camp isn’t just a place in the woods away from it all. It’s a feeling. It’s a vibe. It’s the incandescent joy of conquering the ropes course. It’s the invigorating feeling of purposely falling out of your kayak on a hot day. And it’s the connectivity of laughing at an inside joke only your sister campers really get. It’s the chill moments around the campfire, talking or in peaceful silence.

Because we didn’t get to meet up last year, it’s time for a vibe check. Everyone back together for a summer under the sun and stars – rediscovering (or discovering for the first time) what it means to be free and alive and feeling all the camp vibes.

SUMMER SCHEDULE

We are cautiously optimistic that we will be able to run a full summer schedule in 2021. However, prospective campers should be aware that the COVID-19 pandemic will likely have an impact on programs offered. We may need to alter some traditions like group size, in-camp activities, session structure, and trip length. As always, our top priority is the health and safety of our campers, staff, and community. We will continue to plan and prepare following national and state guidelines, and other risk management considerations, knowing that it is a possibility that summer camp may be cancelled. We will update families and adjust our pricing to reflect any significant programmatic changes or cancellations that are necessary.

THINGS TO KNOW

All Girls Welcome
You don’t have to be a member of a troop to go to Girl Scout camp! All girls are welcome! Those who haven’t already joined Girl Scouts will need to become registered members but that’s really easy to do! Just log onto gswngl.org/join, sign-up, and pay your $30 membership fee!

Grades
The grades listed for camp sessions refer to the grade girls are entering in the 2021/2022 school year.

Parent Information Pages
This year we have elected to no longer send confirmation packets and instead will have new Parent Information Pages at gswngl.org/camp for each of our camps that will include everything you need to ensure your girl has a great stay at camp. This allows us to make in the moment updates to the information allowing you to be secure in our commitment to your girl’s safety.

Our Parent Information Pages contain lots of awesome information, so feel free to check them out before you make your camp session decisions as well as when you’re preparing for your girl’s camp adventures.

MEET OUR CAMP MANAGER

Lisa ‘Puck’ Freeman

Hi everybody! I’m Puck and I run Girl Scout camp! I can’t wait for summer to begin. My job is to make sure camp is welcoming, fun, and a safe place for every girl who goes on an adventure with us! This is my thirtieth summer at camp! (Wow, that’s a long time!) I work with our amazing staff who are from right here in our area and from around the world to plan amazing activities perfect for girls of all ages. Though I will be living onsite at Camp Birch Trails, I am excited to welcome girls to both of our camps this summer.
Fewer Photos – More Experiences

Simply stated, this summer we will not be posting photos during your girl’s stay at camp. Here’s why...

1. Our camp staff’s job is to make sure your daughter is safe, well cared for, and experiencing everything camp has to offer. Their focus is to make sure girls are in the moment, but they try to capture photos of campers in action when they can. We know it’s tough. Your girl is away from home (maybe for the first time) and you want to know what she’s up to, but trust us – she’s having an amazing time.

2. Our camps are in nature and don’t have speedy internet service. We will be posting photo highlights of the summer at the end of the camp season (late August/early September). So, be on the lookout for glimpses of your girl then.

Disconnecting from Technology at Camp

Our world is FILLED with technology that allows us to be in constant contact, but we know and research shows that disconnecting with tech and reconnecting with nature is great for girls. So much of our lives are dictated by what we do on a screen, but at camp she’ll have an opportunity slow down and enjoy the moment while being well cared for by camp staff.

Phones, tablets, and smartwatches/devices are not allowed at camp. We know it’ll be tough for you as a parent/caregiver but it’s important to remember that she’s having a great time, learning and building confidence, and she’ll have so many amazing stories to tell you when she gets home!

We will be doing daily temperature checks.

2 We have spread out sleeping areas and will have fewer girls per cabin/sleeping area to allow for more social distancing.

3 We have added intentional time for hand washing and hand sanitizing.

4 We will require masks to be worn at camp where it is appropriate.

5 We have limited our overall camp capacity to allow for social distancing.

6 We have modified our meal logistics to have girls eating outside as much as possible.

7 Our drop-off and pick-up drive-throughs are an added safety measure to reduce risk.

8 Be sure to check out camp Parent Information Pages online – that’s where we’ll have the most up-to-date information.

9 We will have additional staff training on safety procedures and precautions.

10 We will make sure that our safe camp environment is an exciting and fun place for your girl to try new things and hang out with friends.

This year we have adjusted, changed, and added measures to ensure your girl explores camp in the safest way possible, because your girl’s safety is always top of mind.

We will be following CDC, ACA, GSUSA, local county, and state health code guidelines this summer. These guidelines will likely change before your camper arrives at camp. Please check our website for the most up-to-date safety information.
Our overnight camp is accredited by the American Camp Association (ACA) and meets safety standards set by Girl Scouts of the USA, as well as county and state regulations.

Camp Birch Trails is where camp vibes are best. There is nothing like overnight sleep-away camp – friendships, roaring campfires, and adventures you can’t have at home.

To meet distancing guidelines, we will not be offering busing to or from camp. Please review the Parent Information Page at gsnwgl.org/CBTParentInfo for your camper’s drop-off and pick-up times and expectation of new policies and procedures while at camp.

You may notice our adventure trips are missing - Wild for Water, Northwoods Adventure, Amusement Adventure, and Dakotas Adventure will likely come back in summer 2022 if it is safe to do so.

**Gift of Camp**
You can give the gift of camp
This year has been tough on a lot of families. Every year we welcome all girls to camp regardless of their ability to pay. Girl Scouts believes strongly in the value of the camp experience and wants to ensure that every girl has the opportunity to attend camp. Just one camp experience can positively change a girl’s life forever. By making a donation during the registration process, your family’s contribution will help make camp a reality for every girl.

Registration Confirmation and Parent Information Pages

Registration confirmation will be sent electronically via email and direct you to your camp’s Parent Information Page on our website. This year we have elected to no longer send confirmation packets and instead will have new Parent Information Pages online for each of our camps that will include everything you need to ensure your girl has a great stay at camp. This switch will allow us to make in the moment updates to the information, allowing you to be secure in our commitment to your girl’s safety. This change will also be helpful for Girl Scout camp families who view our information exclusively via mobile device. Our Parent Information Pages contain lots of awesome information, so feel free to check them out before you make your camp session decisions as well as when you’re preparing for your girl’s camp adventures.

CampDoc Is BACK!

We love CampDoc! Designed by camp doctors, nurses, and directors, this secure, easy-to-use web-based solution manages health forms, immunization information, allergies, medications and illness/injury tracking for your camper throughout the summer. The Camper Confidentiality and Parent Release forms will be completed here as well.

Once you sign up for camp, you’ll receive a confirmation email with everything you need to get your camper’s information entered online! Bonus – your camper’s information will stay in the secure system! Those returning summer after summer will only need to update their camper’s information from year to year.

Payment, Cookie Dough, and Camp Certificates

Programs that are $100 or less require payment in full at the time of registration. For programs that are over $100, or if you are requesting financial assistance, a $50 deposit must be included with registration.

If your daughter earns 2020/2021 Cookie Dough or a Camp Certificate during the Girl Scout Cookie Program – DO NOT wait to sign up for camp until you get it! Camp fills up quickly – secure your spot by registering and putting down your deposit before your Cookie Dough or Camp Certificate arrives.

Apply Cookie Dough to camp fees by calling 888.747.6945. If the amount of Cookie Dough used plus the amount of your deposit exceeds the total cost of your camp fees, you will receive a refund for the overage. Due to the volume of these requests, it may take up to four weeks to receive your refund.

All Balances Must Be Paid By the Following Dates:

• Camp Birch Trails & Camp Winnecomac Weeks 1-4 and Nesbit by May 19, 2021
• Camp Birch Trails & Camp Winnecomac Weeks 5-9 by June 16, 2021

Financial Assistance

Cost should never be a barrier to attending Girl Scout camp. Our Council provides financial assistance to those in need. We are happy to discuss financial assistance options. Just know that everyone needs to put down a $50 deposit to secure their spot. Contact us at 888.747.6945 or info@gsnwgl.org.

Discounts

Keep the adventure going! We offer discounts when you sign up for multiple camp sessions. Every session after your first comes with a $20 off discount! *Not available for troop programs.

Change, Cancellation, and Refund Policy

This summer flexibility is our priority so we are altering our policies so families can make changes with their health and safety in mind. Further details will be updated on our website.

**Camper Swag**

**Trading Post & Camp Swag**
Our Trading Posts are filled with camp apparel, cuddly plush, jewelry, toys, snacks, journals, pens, keychains, mugs, water bottles, flashlights, lanterns, patches, decals, items for tie-dye and all the latest in summer fun! Most resident campers spend $25-$50 at camp. This allows for snacks throughout the week and a couple fun camp souvenirs to remember their camp adventures. Day campers spend around $15-$40 during their time at camp. Don’t forget, Fall Bucks and Cookie Dough can be used at the Trading Post too. Just bring your certificates with you! You can add trading post funds to your camper’s account when you register for camp or when you drop your camper off at summer camp. Camp apparel must be reordered by May 1 to confirm size availability and will be available at the Trading Post while supplies last.

**Camper Care Kit**
Surprise your camper with a Camper Care Kit! These kits are camp-friendly care packages delivered to your camper while they’re away at summer camp. Each kit will include a premium plush, journal for jotting down camp memories, and camp-friendly trinkets and surprises. It’s a great way to remind your camper you’re thinking of her when she’s away on camp adventures! Camper kits can be ordered when you register for camp and must be ordered two weeks prior to your camper’s camp session. Camper Care Kits are not available for purchase in the Camp Trading Post. Please be sure to order early - quantities are limited.
