

COOKIE DOORHANGER

The image shows two identical vertical doorhanger templates. Each template has a light gray background with a grid of green four-leaf clovers. At the top left of each template is the Girl Scouts logo and the text "girl scouts of the northwestern great lakes". In the center, a cartoon fox is holding a round cookie that says "Thank You". Below the fox are several text boxes and icons: a box with "helping the community," a box with "trying NEW things, & are", and a box with "empowered to make changes!". At the bottom, there is a line for "PURCHASE COOKIES FROM:" followed by a blank line and a note "(Girl's first name, parent's first name, & parent's phone number)". At the very bottom, there are contact details: "gsnwg1.org | 888.747.6945" and "Cookie Hotline: 800.246.4171".
