

Be a Super Troop.

According to girl and parent feedback, the most successful Girl Scout troops have lots of variety in their Girl Scout experience! Aim to include as many of these activities in your calendar plan for the year. Families can support the girls when they pick one activity to help organize with the Leaders.

Girls earn a free patch when they complete the nine pieces of a Super Troop year and their Leaders complete a survey by June 30. Your stories are important to us and we want to hear from you. Oh, and we love pictures—share those too!

We can help! See our lists of council-hosted events and Field Trip & Travel partners for ways to help girls explore the community while earning badges and Journeys together. Find our guidance—including virtual resources—at gsnwgl.org.

Earn a Super Troop patch for activity in all nine areas.

Four badges or other earned awards

One field trip

One overnight (Brownie grade level and higher)

One service project or Take Action project

One outdoor outing

One cookie kick-off event and participation in the Girl Scout Cookie Program

One parent meeting or one family event

One STEM activity

One Girl Scout tradition
